**Guest Speaker: Elliott Colchamiro**

**Tuesday, January 9, 2018**

**2:00 PM**

Mr. Colchamiro will present the history of Greek Jewry from the Roman era through the present time, including information on the fate of the Jews in Greece during the Holocaust. He will include pictures, music and videos.

Mr Cochamiro gives us a rare opportunity to hear a fascinating presentation on an usual theme.

His interest in Greek Jewry stems from his family background as a "Romaniote" Greek Jew whose family comes from Janina Greece. He is proud to be a member of the board of directors of Kehila Kedosha Janina, on Manhattan's Lower East Side. Kedosha Janina, founded by his grandfather and others was established in 1927 and is the only Romaniote synagogue in the western hemisphere.
